

**Find your focus.  
Step into DeepSpace.**

**deep**space  
by the soundbox

## Is a small space designed for deeper thinking.

DeepSpace: The Ultimate Acoustic Sanctuary. Escape the noise and elevate your performance with a pod built for focus:

- **Superior Silence** : Specialized tempered glass providing 28dB noise reduction.
- **Privacy by Design** : A private, ergonomic environment for calls and meetings.
- **Seamless Fit** : Versatile placement to transform any busy workplace.

## Why the Open-Plan Fails Our Focus: The Science of Workplace Distractions

**66%** LESS PRODUCTIVE

Office workers are 66% less productive in open-plan environments compared to working in private spaces.

— *Julian Treasure, The Sound Agency*

**25** minutes TO REFOCUS

After an interruption, it takes an average of 25 minutes to fully refocus and return to the original task.

— *Gloria Mark, University of California, Irvine*

## Reservation & Booking Management Features

### Effortless Booking

Real-time availability, flexible scheduling, and instant reminders—all in one intuitive system.

### Secure Cloud Control

Centralized remote monitoring, usage analytics, and auto-updates to keep your fleet at peak performance.

### Real-time Sync

Instant data synchronization across all devices and the cloud for total accuracy and seamless cross-platform performance.

### Total App Control

Unlock your pod and customize lighting or ventilation with a single tap via our dedicated smartphone app.

### Smart Climate

Intelligent sensors automatically optimize climate and lighting based on occupancy for a perfectly tailored environment.

## AI Intelligent Digital Matrix System

- Clock can be adjusted when you connect the internet.
- Light and fans can be dimmerable.
- To accommodate customers in different countries, we offer a variety of regional styles of sockets.
- NFC to connects the system to the phone's operating system with a simple touch.

## ART-S

**Product Size:**

W 1000 mm x D 940 mm x H 2100 mm

**Interior Size:**

W 890 mm x D 825 mm x H 1960 mm

**Details:**

Gross weight: 255 kg

Furniture: Integrated Table & Matching Stool

Color: Pale Gray

Door: Laminated glass & magnetic door

## ART-SM

**Product Size:**

W 1100 x D 1040 x H 2100 mm

**Interior Size:**

W 990 x D 925 x H 1960 mm

**Details:**

Gross weight: 319 kg

Furniture: Table & sofa

Color: Pale Gray

Door: Laminated glass & magnetic door

## ART-M

**Product Size:**

W 1550 x D 1240 x H 2100 mm

**Interior Size:**

W 1440 x D 1125 x H 1960 mm

**Details:**

Gross weight: 323 kg

Furniture: Table & chair

Color: Pale Gray

Door: Laminated glass & magnetic door

## ART-ML

**Product Size:**

W 2200 x D 1240 x H 2100 mm

**Interior Size:**

W 2090 x D 1125 x H 1960 mm

**Details:**

Gross weight: 416 kg

Furniture: Table & sofa

Color: Pale Gray

Door: Laminated glass & magnetic door

## ART-L

**Product Size:**

W 2200 x D 1640 x H 2100 mm

**Interior Size:**

W 2090 x D 1525 x H 1960 mm

**Details:**

Gross weight: 474 kg

Furniture: Table & sofa

Color: Pale Gray

Door: Laminated glass & magnetic door
